THE WIND RACERS

Jeremy Bell

The Wind Racers is a fast and powerful work that plays off a single motive that continues to build in energy to the very end. Soaring woodwinds trade off the main motive, juxtaposed with the warmth of the brass section, creating a unique dynamic featuring intensely fast and bright flourishes layered over a strong and bold harmonic landscape. A challenging and captivating work, the excitement of this piece will grab your attention and hold you until the final note.
