PROGRAM NOTES

The rhythms associated with the music of the Caribbean islands have fascinated audiences the world over. The relaxed, infectious nature of the embroidered pulse that is the heart of reggae music quickly brings a smile to all who listen. It's 'just de ticket, mon!'

NOTES TO THE CONDUCTOR

Typically reggae rhythm emphasizes the second and fourth beats of each measure which is known as 'skank.' To accomplish the reggae feel with a subtle lilt, depending on the ability level of your ensemble, you may choose to lightly swing the eighth notes in Reggae Vibrations as we have chosen to do on the promotional recording.

Please note: Our band and orchestra music is now being collated by an automatic high-speed system.
The enclosed parts are now sorted by page count, rather than score order.
