

# Table of Contents

**Note:** The two audio example CDs accompanying this book are designed to enhance your learning experience.

**Audio example CD 1:** Consists of tuning examples, book exercises, and advanced sound exercises from the individual chapters. You can use CD 1 in direct reference to the text.

**Audio example CD 2:** Consists of basic electronics, hybrid drum setups, breaking the rules, one track from Johnny's solo album *Acoustic Machine*, and groove loops.

**Groove Loops:** Original jungle/drum 'n' bass play-along tracks for you to practice any exercise from the book.

<b>Introduction</b>	<b>13</b>	<b>CD1 tr 1</b>
