## INTRODUCTION

The holiday season is a time of festive gatherings, and the music of this time of year is especially well-loved. There are many opportunities to play with multi-generation family groups, as well as mixed-level studio and school ensembles. *More Festive Strings*, like its companion volume *Festive Strings*, is a collection of well-known Christmas and Chanukah melodies in arrangements that have evolved to meet the needs of the individuals, groups, and orchestras I have taught. In order to provide maximum flexibility, the arrangements are available in a number of instrumentations:

Appropriate for intermediate level pianists

Christmas and Chanukah tunes are popular with students at all levels, and even the youngest beginners enjoy taking part. With this in mind, I have chosen the most accessible keys, which usually are the most resonant keys for string players. Occasional compromises were necessary because of the differences between the violin, viola, and cello.

Introductions are optional and may be used at the discretion of the director or performers.

Shifting is kept to a minimum and finger numbers are normally used only to indicate the first note of a new position. Occasionally, notes that remain in position are marked in parentheses.

In *More Festive Strings for String Quartet or String Orchestra*, the melody is passed around so that all members of the ensemble have the opportunity to play the tune. Score and parts are marked with “Melody” and “Harmony” to help players bring out the melody at the appropriate moment.

These orchestra arrangements can be played by a string quartet; the instrumentation is complete without the bass part. For the most part, Violin 3 duplicates the Viola part; where the parts are different, the Violin 3 part appears in small notes in the score.

“Silent Night” appears in both G Major and D Major so that an orchestra or quartet can accompany less experienced players; I recommend using the D Major version with violinists and the G Major version with violists or cellists.

During the preparation of this collection, many colleagues, friends, and students have played the arrangements, and their advice and detailed suggestions have been invaluable. In particular I would like to thank Alex Adaman, Joanne and Charles Bath, Carey Cheney, Sally Gross, Eric Hansen, Carolyn Meyer, Rick Mooney, Karla Phillipp, Robert Richardson, Patricia Shand, Carol Tarr, and Ruth Wiwchar. I am indebted to Fiona Shand for her careful work, perceptive proofreading, and cheerful sense of humor, and to my husband Peter for his unfailing encouragement and patience; both helped enormously in the completion of this volume. *More Festive Strings* is dedicated to my parents, in gratitude for the love and music that enriched my childhood.

I hope that you enjoy *More Festive Strings* and that these arrangements contribute to your enjoyment of the holiday season.
