|                              |          |
|------------------------------|----------|
| <b>ABOUT THE AUTHOR.....</b> | <b>4</b> |
| <b>INTRODUCTION.....</b>     | <b>5</b> |

|                                            |          |
|--------------------------------------------|----------|
| <b>CHAPTER 1—Getting Started</b>           | <b>6</b> |
| The Guitar Fingerboard .....               | 6        |
| Tuning.....                                | 7        |
| Music Notation.....                        | 8        |
| Reading TAB, Scale and Chord Diagrams..... | 12       |
| Roman Numerals .....                       | 12       |
| Some Terms and Signs .....                 | 13       |
| Basic Technique .....                      | 14       |

|                                            |           |
|--------------------------------------------|-----------|
| <b>CHAPTER 2—Rock Theory Review</b>        | <b>17</b> |
| The Major Scale.....                       | 17        |
| Key Signatures.....                        | 19        |
| Cycle of 5ths.....                         | 20        |
| The Five Minor Pentatonic Fingerings ..... | 22        |
| The Entire Minor Pentatonic System .....   | 22        |
| The Five Major Pentatonic Fingerings ..... | 23        |
| The Entire Major Pentatonic System.....    | 23        |

|                                       |           |
|---------------------------------------|-----------|
| <b>CHAPTER 3—Left-Hand Techniques</b> | <b>24</b> |
| Hammer-Ons and Pull-Offs .....        | 24        |
| Slides .....                          | 24        |
| Vibrato.....                          | 25        |
| Bending.....                          | 25        |

|                                             |           |
|---------------------------------------------|-----------|
| <b>CHAPTER 4—Major Scales</b>               | <b>26</b> |
| Playing Two-Octave Major Scales.....        | 26        |
| Melodic Patterns .....                      | 28        |
| Licks Using the Major Scale .....           | 30        |
| Improvising with the Major Scale .....      | 31        |
| Fingerings with Three Notes Per String..... | 32        |

|                                                 |           |
|-------------------------------------------------|-----------|
| <b>CHAPTER 5—Intervals</b>                      | <b>14</b> |
| Interval Names .....                            | 14        |
| Interval Shapes.....                            | 15        |
| Harmonization — 3rds, 6ths, 4ths and 5ths ..... | 16        |

|                                         |           |
|-----------------------------------------|-----------|
| <b>CHAPTER 6—Triads</b>                 | <b>38</b> |
| Major Triads (in B <sup>b</sup> ).....  | 39        |
| Minor Triads (in B <sup>b</sup> ) ..... | 40        |
| Voice Leading .....                     | 41        |
| Examples Using Triads .....             | 43        |
| Chord Embellishments.....               | 44        |

|                                                                    |           |
|--------------------------------------------------------------------|-----------|
| <b>CHAPTER 7—Diatonic Harmony</b>                                  | <b>46</b> |
| Diatonic Triads .....                                              | 47        |
| Diatonic Arpeggios .....                                           | 48        |
| 7th Chords .....                                                   | 49        |
| Diatonic 7th Chords .....                                          | 50        |
| Transposing.....                                                   | 51        |
| <b>CHAPTER 8—The Composite Scale</b>                               | <b>52</b> |
| The Composite Scale in G Surrounding the Root Position Triad ..... | 53        |
| The Composite Scale in G Surrounding the 1st Inversion Triad.....  | 54        |
| The Composite Scale in G Surrounding the 2nd Inversion Triad.....  | 55        |
| More Composite Scale Licks.....                                    | 56        |
| <b>CHAPTER 9—New Chord Forms &amp; Rhythm Guitar</b>               | <b>58</b> |
| Functional Harmony.....                                            | 58        |
| Diminished 7th Chord Licks.....                                    | 59        |
| Basic Extended and Altered Dominants .....                         | 60        |
| Rhythmic Notation .....                                            | 61        |
| Rhythm Guitar Examples.....                                        | 62        |
| <b>CHAPTER 10—Minor Scales</b>                                     | <b>64</b> |
| The Natural Minor Scale.....                                       | 64        |
| Natural Minor Scale Fingerings.....                                | 65        |
| Melodic Patterns in A Natural Minor .....                          | 66        |
| Improvising with the Natural Minor Scale .....                     | 67        |
| Natural Minor Licks.....                                           | 68        |
| Harmonic Minor Scale .....                                         | 69        |
| Harmonic Minor Scale Fingerings.....                               | 70        |
| Improvising with the Harmonic Minor Scale .....                    | 71        |
| Harmonic Minor Licks .....                                         | 73        |
| <b>CHAPTER 10—The Modes</b>                                        | <b>75</b> |
| The Dorian Mode .....                                              | 76        |
| Dorian Mode Fingerings.....                                        | 77        |
| Melodic Patterns in A Dorian.....                                  | 78        |
| Improvising with the Dorian Mode.....                              | 79        |
| Dorian Licks .....                                                 | 80        |
| The Mixolydian Mode .....                                          | 82        |
| Mixolydian Mode Fingerings .....                                   | 83        |
| Improvising with the Mixolydian Mode.....                          | 84        |
| Mixolydian Licks .....                                             | 86        |
| <b>APPENDIXES</b>                                                  | <b>88</b> |
| <b>Appendix A—Scales and Modes</b> .....                           | <b>88</b> |
| Modes in the Numbering System.....                                 | 88        |
| Pentatonic Scales in the Numbering System .....                    | 89        |
| Minor Scales in the Numbering System.....                          | 89        |
| Scales and Modes in Standard Music Notation and TAB.....           | 90        |
| <b>Appendix B—Suggested Songs for Practice</b> .....               | <b>92</b> |
| <b>Appendix C—Essential Movable Chord Forms</b> .....              | <b>94</b> |

## EXAMPLES USING TRIADS

In the style of Randy Rhoads

40  
Track 26

Chords: A, E, D, A

In the style of The Black Crowes

41  
Track 27

Chords: D, G, D, C, G, D

In the style of Joe Walsh

42  
Track 28

Chords: A7, D, A7, D, G, D, A7

 = Grace note. A quick decorative note struck on the beat

In the style of Keith Richards

43  
Track 29

Chords: Eb, Ab, Eb, C, F, C, Ab, Db, Ab, Eb, Bb, F, C, Eb

# MIXOLYDIAN LICKS

In the style of Dave Matthews

123  
Track 83

A9 A/G

5 0 4 2 3 5 (5) 5 5 0 2 2 2 2 2 2 0 2 2

5 2 0 1 2 3 5 (5) 5 5 0 2 2 2 2 2 0 1 1

2 0 1 2 3 5 (5) 5 5 0 2 2 2 2 2 0 1 1

In the style of Jeff Beck

124  
Track 84

8va—
