

Hymns of Praise

**5 INTERMEDIATE ORGAN SOLOS
FOR WORSHIP**

ANNA LAURA PAGE

The great hymns of our faith are musical settings of our basic beliefs. As Christians we treasure these hymns that remain in our memory throughout a lifetime. In this collection, I have included some of my favorites. Some of these tunes go back centuries while others come from the 19th-century singing school tradition. I hope you find them useful as you plan your musical offerings from Sunday to Sunday. May they deepen the worship experience for all who listen.
