

YAMAHA POP-STYLE SOLOS

15 Pop-Style Solos with Piano Accompaniment or Play-along CD

Each Solo Correlates with a Specific Page in the Yamaha Band Student, Book I

Steve Bach John O'Reilly

Yamaha Pop-Style Solos provide a wonderful selection of very appealing material for the young instrumentalist. Although correlated to specific pages in the *Yamaha Band Student, Book One*, these solos can be performed by any first-year student.

The simple piano accompaniments are designed to effectively support the solos with authentic pop-style harmonies and rhythms. Chord symbols are included for pianists who want to embellish the written accompaniment or improvise.

The prerecorded accompaniments, available on CD, feature state-of-the-art synthesized orchestrations that provide a sparkling showcase for the young performer. Each solo is performed two times: once with the solo part included and once with only the accompaniment.
