

A Simply Classic Christmas

*16 Favorite Christmas Masterworks and Carols
for Elementary Pianists of All Ages*

Margaret Goldston

Foreword

Similar to my popular *Simply Classic, Books 1 and 2*, this collection features simplified excerpts of vocal, choral and orchestral Christmas works by the master composers in addition to arrangements of the most well-known Christmas carols! Written especially for the first- or second-year piano student, the book includes impressive teacher duets for a richer sound.

I hope you have a "Happy Holiday" season getting acquainted with this "Simply Classic Christmas" music!
