

Easy *Hymns and Spirituals*

9 Sacred Arrangements for Elementary to Late Elementary Pianists

MARTHA MIER

The nine hymns and spirituals contained in *Easy Hymns and Spirituals*, Book 2, will be especially appealing to elementary students of all ages. The arrangements in this collection impart the spirit of love, peace and joy. Students will appreciate the more familiar hymns and spirituals included and will find these arrangements appropriate for performance for friends, family, recitals or church functions.

While each hymn or spiritual is complete as a solo, two of the pieces in this collection have a duet part that may be played by a teacher, parent or friend.
