FIDDLE FINGER FRENZY

Rosin up the bow and limber up those fingers as we get ready for a real fiddlin' finger frenzy! Within a rip-roarin' Fiddle style, a variety of accidentals are explored in first position. Besides being a whole lot of fun, this piece is great training in altered finger positions. The melodies are passed around so that all of the sections of the orchestra get a chance to shine. The hardest thing about this piece might be getting the students to stop! Destined to become a perennial favorite of students and audiences alike.
