

# Nessun Dorma

(from *Turandot*)

Giacomo Puccini  
Arranged by Mark Williams

**T**aken from the third act of Puccini's opera *Turandot*, "Nessun Dorma" is one of the world's most famous operatic arias, frequently performed by such noted tenors as Luciano Pavarotti and Placido Domingo. In this arrangement for concert band, the vocal parts have been reassigned to the middle voices of the band, creating a beautiful, rich melodic showpiece. Careful attention to dynamics will help to produce a sensitive interpretation of this work. The fermata in parentheses found in measure 30 was not included in the original Puccini score, but reflects traditional performance practice. Students and audiences alike will enjoy this treasured classic from one of opera's greatest composers.
