The selections included in this book are taken from *J. S. Bach—An Introduction to His Keyboard Music* (#638). For students and teachers who prefer an expanded introductory section and additional selections in a 64-page book, the publisher recommends the Bach introduction listed above.

All selections in this book are performed by pianist Scott Price on the CD, *J. S. Bach—The First Book for Pianists*.

Musette

from *English Suite in G Minor*

Andante (♩ = 56-66)

BWV 808

For a more accurate imitation of a musette, this piece may be played with continuous legato, with the same dynamic level throughout.
