

Famous & Fun Christmas

11 Appealing Piano Arrangements

Carol Matz

The playing of favorite Christmas music is a wonderful part of the holiday season. The arrangements in *Famous & Fun Christmas*, Book 1, allow even the youngest piano students to contribute musically to the family's holiday traditions. All of the pieces are playable within the first few months of piano instruction, and can be used as a supplement to any method. No eighth notes or dotted-quarter rhythms are used, and each arrangement remains mostly in the Middle C or C five-finger pattern. The optional duet parts for teacher or parent add to the fun of playing the pieces. Enjoy your musical experience with these well-loved Christmas favorites!
