

SACRED PERFORMER

S E R I E S

Great Things He Has Done

Arranged by **Victor Labenske**

10 Sacred Arrangements in a Variety of Styles

When arranging sacred piano music, I am always moved by the great lyrics that have stood the test of time and have been meaningful to many generations of worshipers. The texts, included at the end of the book, have provided wonderful inspiration for the music in this collection. I have indicated which verses of each song I am setting by using short text quotes placed above the music. It is my hope that you will try to communicate these lyrics as you play. These 10 arrangements are written in a variety of styles, including classical, Celtic, gospel and jazz idioms, and can be used in a wide range of worship and concert settings. I pray that you may be able to lead others in the worship of our Lord as you perform this music.
