Track 1

A recording is included with this book. This disc can make learning easier and more enjoyable. The symbol at the top appears next to every example that is on the recording. Use the audio to help ensure that you're capturing the feel of the examples, interpreting the rhythms correctly, and so on. The track number next to the symbol corresponds directly to the example(s) you want to hear. Track 1 will help you tune your pedal steel guitar to the recording.

Low G on the 8th String

Here's a classic bluegrass tune for you to play using your new note, low G.
