### 10 Piano Arrangements of Contemporary Worship Songs Arranged by Tom Gerou & Victor Labenske

In the *PlayPRAISE* series, pianists young and old will find accessible arrangements of some of the best in contemporary Christian praise and worship music. These tunes have become a familiar part of the musical fabric of contemporary praise worship.

The attractive late-elementary solo arrangements in Book 2 include rich-sounding accompaniments that can be played by a teacher, parent or an older sibling. Not only do the duet parts add harmony and rhythmic structure to the solos, they also develop ensemble performance skills.

It is best for piano students to observe the rhythms as notated, but these may be adjusted later to match what they have heard at church.

The joy found in learning these arrangements will result in performers who want to continue to *PlayPRAISE*.
