Lowdown, Hoe-down

Rockin' and jammin' will abound in your concert with this swing tune with a fiddle feel. Written by the prominent Australian jazz performer and composer Andy Firth, *Lowdown, Hoe-down* will tickle the funny bone. Laced with familiar melodies that morph into fun harmonies and rhythms, this piece will put your orchestra in the mood of the Big Bands of years past. Each section plays the tune and there are great walking bass lines.
