STARFLEET

Join the fleet as it explores the far reaches of the musical universe! This fun and playable piece is the perfect way to teach your students a wide variety of musical styles. The piece begins with a heroic march melody played over a majestic accompaniment. A *marcato*, minor-keyed theme from the dark side then appears but is quickly overtaken by an energetic modal fanfare. A lyrical subordinate theme is then passed amongst the different sections, eventually leading back into the opening march. A grand finale closes the work. Sure to motivate your students to practice, this one is a great concert opener or closer!
