SUBTERRANEAN DANCE

Subterranean Dance provides a fun-to-play, exciting tune using the low strings of each instrument. The violas and cellos will explore the bottom reaches of the C and G strings, and not to be left out, the upper strings take the melody, transposed up a fifth, on the D and G strings. Entirely in first position with easy finger patterns, *Subterranean Dance* is a great teaching piece and will be a sure-fire winner with students and their parents!
