NOTE FROM THE EDITOR

All Belwin string parts have been carefully bowed and fingered appropriately by level. The Yellow Very Beginning series includes many bowings as well as reminder fingerings for first-time readers. The Red Beginning series includes frequent bowings to assist younger players. Fingerings for altered pitches are often marked. The Green Intermediate series includes appropriately placed bowings for middle-level students. Fingerings and positions are marked for notes beyond first position. The Blue Concert series includes bowings appropriate for the experienced high school player. Fingerings and position markings are indicated for difficult passages.

Belwin/Pop String Editor

Please note: Our band and orchestra music is now being collated by an automatic high-speed system. The enclosed parts are now sorted by page count, rather than score order. We hope this will not present any difficulty for you in distributing the parts. Thank you for your understanding.

PROGRAM NOTES

Composed for the developing orchestra, SYMPHONIC STATEMENT is a bold, yet elegant musical declaration. Beginning in a mysterious setting that foreshadows the impending melody, the piece moves quickly to a daring proclamation that blends flowing musical lines with brash exclamations. Composed in the fall of 2006, SYMPHONIC STATEMENT is dedicated to composer's daughter, Savannah Grace Smith, an oboist and aspiring orchestral musician.

NOTES TO THE CONDUCTOR

The introduction should be conducted in two, as indicated. However, depending upon the teaching situation, in the early stages of rehearsal you may wish to conduct in four.

Particular attention should be given to the dynamic shaping and contrast throughout; for example, the eighth-note figures in the violins/upper woodwinds (i.e. measures 29-30) should be very smooth and flowing, yet shaped as indicated by the dynamic marking. Additionally, the interpretation of dynamics throughout should be exaggerated to ensure musical contrasts and clarity throughout the orchestra.

When performing the piece with a string orchestra, please play the mallet percussion parts (if personnel and equipment permit). As an option, you may wish to use a piano to cover the part.

I hope that you and your orchestra enjoy SYMPHONIC STATEMENT and find it to be a valued addition to your concert program. Best wishes for a wonderful performance!
