UNIT TWO

Legato RH and LH Arpeggiated Melody

- Listen for even triplet arpeggios with smooth thumb crossings. Keep forearms and elbows loose for a good legato on arpeggios and broken chords.
- The RH arpeggiated melody should always be louder than the accompaniment.
- In mm. 12–15, use a small forearm rotation on broken intervals.
- Transpose to C-sharp major.

Carl Czerny (1791–1857)
Op. 599, No. 84

Allegro (♩ = 100–120)

The score is written for piano and consists of 15 measures. It is divided into four systems. The first system (measures 1-4) starts with a treble clef and a key signature of one sharp (F#). The right hand (RH) plays a melodic line with arpeggiated chords, while the left hand (LH) plays a bass line with arpeggiated chords. The second system (measures 5-8) continues the melodic and bass lines. The third system (measures 9-12) features a crescendo and a change in the RH melody. The fourth system (measures 13-15) ends with a forte (ff) dynamic and a final cadence. Fingerings and articulations are indicated throughout the score.

**RH Melody with Light Arpeggios and Legato Chords;
LH Accompaniment with Varied Patterns and Articulation**

- Listen for smooth thumb crossings on all 16th note broken-chords and arpeggios; lift the wrist gently at the end of slurs.
- Sink into the RH chords with a loose wrist; listen that all notes sound together with a clear top note. Pay careful attention to the articulation in both hands.
- In mm. 68–97, use rotation in the LH, slightly emphasizing the bass notes on the beat.
