Rhythmic Breaks.....	28		

0 Online audio is included with this book. Using this recording can make learning with the book easier and more enjoyable. The symbol shown at the left appears next to every example that is on the recording. Use the audio to help ensure that you're capturing the feel of the examples, interpreting the rhythms correctly, and so on. The track number below the symbol corresponds directly to the example you want to hear. Track 1 will help you tune your guitar to the recording.

Have fun!

NUEVA TROVA

The term *trova* originally referred to a singer/guitar player from Oriente. The musical style of *nueva trova* emerged in the 1960s and can be considered Cuba's political folk music, as the lyrics often contain satirical evaluations of the government as well as social commentary. The style is defined by its flowing 6/8 rhythm. This song uses the fingerstyle technique.

LA PROXIMA

Musical notation for measures 1-4. Chords: G, D, C, G, A7, D7, G. Includes treble clef, key signature (one sharp), and dynamic markings (p, m, i).
