## A WESTWARD JOURNEY AND JUBILEE

Images of the Wild West inspire this musical journey across the plains. Presented in three sections, cowboys, campfires and horses are portrayed in this dramatic composition.

## NOTES TO THE CONDUCTOR

*Westward Journey and Jubilee* is a musical portrayal of three scenes. The first is a quiet image of stars at night and cowboys around a campfire, presented in a calm and relaxed 3/4 meter. Next is a 4/4-metered tableau with a “riding the range” feel that uses broad and sustained lines to imply the expansiveness of the terrain. The sweeping melody is set over a rhythmic and driving background, suggesting the movement of horses and cattle that are determined to reach their destination. Finally, the rhythms of the melody catch up with those of the background, signaling a festive celebration at the end of the journey.
