PROGRAM NOTES

The Aztec civilization of central Mexico began in the mid-thirteenth century and lasted about 275 years. The Aztecs were a vibrant culture, with mandatory education that included an emphasis on the arts and mythology. Songs and poetry were very popular, as well as a form of theater that involved players, musicians, and acrobats. Aztec musical instruments included various whistles, pipes, and drums. The Aztecs flourished until the Spanish conquest in 1521.

NOTE FROM THE EDITOR

All Belwin string parts have been carefully bowed and fingered appropriately by level. The Yellow Very Beginning series includes many bowings as well as reminder fingerings for first-time readers. The Red Beginning series includes frequent bowings to assist younger players. Fingerings for altered pitches are often marked. The Green Intermediate series includes appropriately placed bowings for middle-level students. Fingerings and positions are marked for notes beyond first position. The Blue Concert series includes bowings appropriate for the experienced high school player. Fingerings and position markings are indicated for difficult passages.

Please note: Our band and orchestra music is now being collated by an automatic high-speed system. The enclosed parts are now sorted by page count, rather than score order. We hope this will not present any difficulty for you in distributing the parts. Thank you for your understanding.
