

Two Bridges March

Arranged by Mark Williams

This clever work for beginning band combines two well-known folk songs about bridges: "Sur le pont d'Avignon (On the Bridge at Avignon)" and "London Bridge." In this fun and unique arrangement, each tune is played separately and then both are combined in a follow-the-leader fashion. Correlated with *Accent on Achievement*, Book 1, page 15, this very easy piece uses only the notes concert A through G, with eighth notes limited to the snare drum part. And for the musicians in the audience, you can point out that this is a rare occasion in which the entire piece is "the bridge!" Audiences and band members alike will enjoy this very special setting.
