

ALFRED'S CHALLENGER BAND SERIES

March Chromatica

By Mark Williams

Your long wait for that extra-special teaching piece is over! Destined to become a standard of the school band repertoire, the melodies of this classic old-time 6/8 march are based on the chromatic scale. In fact, the melodies and countermelodies of the “trio” section are pure chromatic scales (moving in opposite directions), and the superb harmonization makes it sound great. Now your students can develop their skills in 6/8 feel *and* the chromatic scale at the same time. You have to hear it to believe it!
