Reflection and Celebration
By Darren W. Jenkins

Reflection and Celebration was commissioned by and dedicated to the Antioch Middle School 8th Grade Band of Shawnee Mission, KS (J.J. Wallace, Director). It was written to commemorate the school’s 50th year celebration. The work has two main sections. The first is slower and meant to evoke meditation on the history of trials and tribulations that one may endure in life. The second section is faster, representing the joy and festivity associated with celebrating an important occasion, as well as aspiration for a bright and promising future.
