7 Duets for One Piano, Four Hands
=====

Carol Matz

Famous & Fun Pop Duets, Book 1, contains carefully selected popular hits from movies, radio and television. The duets are arranged in equal parts for early elementary pianists, and are written for one piano, four hands. For easier reading, each part is written using both treble and bass clefs, with directions for the *primo* to play up an octave and the *secondo* down an octave. Additionally, the melody often shifts between *primo* and *secondo*, creating interesting parts for both players. No eighth notes or dotted-quarter rhythms are used. Enjoy your experience with these popular hits!
