Synergies

By Robert Sheldon

High energy, rhythmic verve and tuneful melodies characterize this Robert Sheldon composition entitled *Synergies*. The colorful orchestration in the winds as well as the percussion truly makes this piece a delight for the players as well as the audience.

Synergy involves cooperative interaction that creates a positive result. The Columbus Middle School Band of Columbus, Nebraska, commissioned *Synergies* to be dedicated to the citizens of Columbus, whose motto is "A City of Power and Progress." The title is purposefully used in its plural form to represent not only the citizens of Columbus as they work toward the development of their community, but also the band members as they work toward the creation of a musical performance.
