NOTE FROM THE EDITOR

All Belwin string parts have been carefully bowed and fingered appropriately by level. The Yellow Very Beginning series includes many bowings as well as reminder fingerings for first-time readers. The Red Beginning series includes frequent bowings to assist younger players. Fingerings for altered pitches are often marked. The Green Intermediate series includes appropriately placed bowings for middle-level students. Fingerings and positions are marked for notes beyond first position. The Blue Concert series includes bowings appropriate for the experienced high school player. Fingerings and position markings are indicated for difficult passages.

PROGRAM NOTES

Leroy Anderson (1908-1975) has been acclaimed as America's favorite composer of light orchestral pieces. His compositions and his association with Arhur Fielder and the Boston Pops Orchestra is well known. This piece, *Bugler's Holiday for Trumpet Trio with Orchestra*, was written in 1954, premiered with the Boston Orchestra and became an instant hit to light orchestra music lovers everywhere. Over the years the piece has been transcribed as a selection for trumpets with piano accompaniment, concert band and many other musical ensembles. This arrangement for three violins with string orchestra accompaniment will offer another view of this infectious musical piece.

NOTES TO THE CONDUCTOR

The percussion part is optional, but the piano part is not. This part should not dominate the rhythm of the accompaniment, but should be performed with musical taste, helping to keep the flow of the solo parts as the main consideration. The tempo is marked at mm = 144, if desired. Careful attention to the dynamic levels marked will enhance the performance.
