NOTES TO THE CONDUCTOR

A famous folk song during the 1800's, this tune was one of Abraham Lincoln's favorites. This new arrangement is very playable and a great way to give extra meaning to your student's study of the Civil War. *Dixie* should be performed in a spirited manner. Although tempo is marked at 120, use the tempo which makes your orchestra sound the best. Dynamics should be observed for an artistic performance.

Please note: Our band and orchestra music is now being collated by an automatic high-speed system. The enclosed parts are now sorted by page count, rather than score order.
