## Notes to the Conductor

I wrote *Sunday Song* for my first album, "In a Fog." The recorded version of it featured a duet between the legendary jazz violinist, Johnny Frigo, and me. Because it is a ballad, the string parts sound more "classical," so it is an easy way to slip into a jazz style without changing traditional techniques. In addition to the jazz bass in the rhythm section, I've included an additional arco bass part as part of the string section. Although it could be adapted to feature one soloist improvising, I've written soli sections so each group gets the spotlight, including a duet between the jazz bass and the arco bass. Johnny Frigo passed away in July 2007, so I would like to dedicate this to his memory.
