NOTES TO THE CONDUCTOR

Regency Fanfare is designed for students in the second half of their first year in band. A review or introduction of concert A \flat pitch and fingerings would be beneficial prior to beginning.

The opening statement should be played with a full sound, but without overblowing. The percussion in the section beginning at measure 10 should be played very lightly and should stay "under" the clarinets.

For most of the piece, all of the low brass and woodwinds are scored in octaves, so dynamic adjustments may be needed to balance the sound of your ensemble. Also, please note that the Timpani part is completely optional.

I hope you find *Regency Fanfare* to be an exciting and worthwhile musical experience!
