PROGRAM NOTES

This stirring march from the *Indiana Jones* motion picture series is loved by Indy fans worldwide. It portrays the dynamic flair and strength of the main character, Indiana Jones, and is a perfect vehicle for the beginning band repertoire. Every member of the band can emulate character traits as they perform this exciting music.

NOTES TO THE CONDUCTOR

The tempo may be adjusted to meet the needs of your ensemble. See metronome markings on the first page of the conductor's score.

There are articulation marks (staccato, accents) included in the parts to help in the performance of a musical march style. You may want to take the time before reading the arrangement for the first time to explain and practice the application of these musical performance signs.

The percussion parts are an important part of the performance of this arrangement, but do not allow the section to dominate the ensemble balance.
