The three most popular songs from Green Day's newest album! Presented in an easily mastered arrangement that includes a good deal of repeated material designed to help keep rehearsal time to a minimum, this is definitely one that your students will enjoy playing again and again. Special attention has also been given to chord voicing for a full and mature sound, with melodies scored in the upper and lower string parts.

NOTE FROM THE EDITOR

All Belwin string parts have been carefully bowed and fingered appropriately by level. The Yellow Very Beginning series includes many bowings as well as reminder fingerings for first-time readers. The Red Beginning series includes frequent bowings to assist younger players. Fingerings for altered pitches are often marked. The Green Intermediate series includes appropriately placed bowings for middle-level students. Fingerings and positions are marked for notes beyond first position. The Blue Concert series includes bowings appropriate for the experienced high school player. Fingerings and position markings are indicated for difficult passages.
