

## ALFRED'S CHALLENGER BAND SERIES

# Stay Cool

By Vince Gassi

If **cool** is what you're looking for, **you just found it!** A simple, yet effective descending line in the lower voices of the band decides to "hang out" with a very hip melodic "hook" offered by the upper affiliates. Reverse rolls for the bridge, add in some harmony in 4ths, and the result is a level of cool your band and audiences will not soon forget. Everyone has something to say in this partnership in the study of cool. All you can say at the end of this one is Du-u-ude!!
