

WANNA BE STARTIN' SOMETHIN'

Music by Michael Jackson

Arranged by Dan Coates

Steady rock beat

N.C.

The first system of musical notation is in 4/4 time, key of B-flat major. The piano part (left hand) starts with a steady rock beat. The vocal part (right hand) begins with a whole rest, followed by a triplet of eighth notes: B-flat, A, and G. The lyrics "I said you" are written below the vocal line. The piano part has a finger number '2' under the first note (B-flat).

The second system of musical notation continues the melody. The vocal line has the lyrics "wan - na be start - in' some - thin', you" and "wan-na be start - in' some - thin'. Said you". The piano part continues the steady rock beat.

The third system of musical notation continues the melody. The vocal line has the lyrics "wan-na be start - in' some - thin', you" and "got to be start - in' some - thin'. It's too". The piano part continues the steady rock beat.

The fourth system of musical notation continues the melody. The vocal line has the lyrics "high to get o - ver (yeah, yeah), too" and "low to get un - der (yeah, yeah). You're". The piano part continues the steady rock beat. The system includes a key signature change from B-flat major to F major (indicated by a natural sign over the B-flat). The piano part has finger numbers '4' and '2' under the first two notes of the first measure, and '1' and '5' under the first two notes of the second measure. The dynamic marking *mf* is present.
