

Glad

Words and Music by Steve Winwood

Arranged by Rick Mattingly

Performance Notes

The instrumental "Glad," composed by Steve Winwood, is the first track on Traffic's 1970 album *John Barleycorn Must Die*. The song also appears on Traffic's 1973 *On the Road* album and on Eric Clapton and Steve Winwood's 2009 *Live from Madison Square Garden* album.

Electric bass can double or replace the bass marimba part.

In this arrangement, there are notated vibes and xylophone solos in measures 29–43. Improvised solos can be substituted for the notated solos (using the A blues scale), and that section can be "opened up" for longer solos, as well as solos on additional instruments, if desired.
