II. FOOD, AGRICULTURE & HUNTING

1. Why was the buffalo important to the Omaha and other Plains Indians?

2. What foods did the early Spanish settlers bring to the Navajo and Pima?

3. What was the staple food of the Quileute?

4. What was the staple crop of the Zuni and other Southwest desert tribes and how was it prepared?

5. Name the three crops common to the following tribes: Ojibwa, Pima, Quechan and Winnebago. Where were these tribes located?

IV. TRADITIONAL LIFESTYLE & HISTORIC CHANGE

1. Describe and give the purpose of *ramadas* built by Southwest desert tribes such as the Quechan.

2. How did the horse come to the New World from Europe?

3. To what uses did the Pawnee, Ute and other Plains Indians put the horse?

4. How did the geographic location of the Quileute determine their traditional clothing?

5. In what sort of housing did the Plains tribes live during buffalo hunts? How many people participated? Refer to your map.
