PROGRAM NOTES

Volare, one of the most popular songs of the middle 20th Century, was written by Domenico Modugno and his record won the Grammy Awards for both Record of the Year and Song of the Year in 1958. Others who made successful recordings of this lilting melody were Dean Martin, Frank Sinatra, Bobby Rydell, and Al Martino, some singing partly in English, partly in Italian using their Italian heritage to "sell" the song and their performance. The song's popularity endures after some 50 years.

NOTES TO THE CONDUCTOR

Dynamic markings may be adjusted to balance your ensemble.

The song is presented in two styles. The opening verse is in a ballad style using the normal equal eighth note structure. The chorus, starting at measure 17, is in a swing style using the swing eighth note feeling that was common in the middle '50s. At measure 55, part of the verse is given again and the style while the tempo reverts back as in Tempo 1. Likewise at measure 63, the chorus is stated again as the tempo and style reverts back as in Tempo 2.

The percussion 1 part is notated to be played with a drumset, but can be performed by three performers. The drumset approach is preferred.

The electric bass part is crucial to the success of this arrangement. If an electric bass is not available, please have half of your tuba section play that part an octave lower than written in order to cover the electric bass groove while the rest of the section plays the tuba part.

Best wishes for a wonderful performance.
