In the still - ness of the win - ter when you

* Also available for 2-part/S.S.A. (35489). SoundTrax CD available (35490).

The text written for this choral provides us with images similar to those featured in the famous poetry of Robert Frost. It is recommended that students study his imaginative and vivid poems such as "The Road Not Taken," "Stopping by Woods on a Snowy Evening," and "A Patch of Old Snow."
