## NOTES TO THE CONDUCTOR

This bluegrass “fiddle” version of Rossini’s famous overture will get your audiences’ toes tappin’ and your violinists’ fingers flyin’. The entire violin section is featured in this fun, virtuosic-sounding rendition that is perfect for recruiting concerts, encores, or just plain showing off! Loaded with string crossings and difficult-sounding (but rather simple) “doubled” notes, this piece will give your violins a workout and motivate them to practice and develop both their left and right hand technique. Included is an Alternate Violin part (viola, treble clef) for those violinists not yet ready to solo.
