Alfred's Premier Piano Course Pop and Movie Hits Book 4 includes familiar pieces that reinforce concepts included in Lesson Book 4. The music continues the strong pedagogical focus of the course while providing the enjoyment of playing familiar popular music.

The pieces in this book correlate page-by-page with the materials in Lesson Book 4. They should be assigned according to the instructions in the upper right corner of each page of this book. They also may be assigned as review material at any time after the student has passed the designated Lesson Book page. Pop and Movie Hits 4 also can be used to supplement any beginning piano method.

Allowing students to study music they enjoy is highly motivating. Consequently, reading and rhythm skills often improve greatly when studying pop and movie music. The authors hope that the music in Pop and Movie Hits 4 brings hours of enjoyment.
