

Eric Clapton Lick 4:

This example uses both a pull off and a hammer on.

Eric Clapton Lick 5:

Notice the pick up notes used to start the momentum. Use a pull off on the second string.

Eric Clapton Lick 6:

This short phrase is a rockin' blues workhorse. Barre strings one and two at the fifth fret. Bend the note on the third string using your third finger and supporting the bend with your second finger for control.
