Debbie "Mama" Criswell is a self-taught artist, currently living in Clinton, Tennessee. She is the single mother of two girls and a boy, and has been a professional artist since 2003. She was inspired by the rolling hills, tall farm houses, and Amish families she observed while living in a small Missouri town. Debbie is primarily known for the primitive folk style of her paintings, but also dabbles in abstracts. Her works have been sold throughout the world, and are currently available on eBay and in galleries throughout the United States.
