PROGRAM NOTES

Featuring two popular songs presented on the hit television show *Glee*, this *Mash-Up* combines Cee Lo Green's "Forget You" and Journey's "Don't Stop Believin'". Building on the *Mash-Up* concept, the two tunes are joined as one in the show-stopping arrangement.

NOTES TO THE CONDUCTOR

Throughout this arrangement you may find certain elements of differing songs layered over the main melody. This is the "Mash-Up" that has become popular on *Glee*. These contrasting elements must "share the stage" but not overpower each other. The first occurrence of this is from measures 2 through 9 in the woodwinds, horns, and mallets as the introduction to "Don't Stop Believin'" is layered over "Forget You." This occurs again in measures 18 through 21 and measures 50 through 56. From measures 93 through 100, the groove in the percussion 1 part (congas and shakers) returns and is layered under the last chorus of "Don't Stop Believin'".

The trumpet and trombone soloists should be allowed to ad-lib, but not to the point of losing the melody. Consideration of staging the soloists to interact may help in the trade-offs and the entertainment factor. Also, feel free to feature the percussion section, especially those playing the Latin percussion parts. Feel free to double the congas and shakers/cabasa players as needed. If available, include shekeres on the shaker/cabasa part.

Best wishes for an entertaining performance!
