What if Bach and Mozart had been able to collaborate on a piece? This arrangement explores that idea. Using thematic material from Bach's *Brandenburg Concerto*, but arranged and orchestrated in a style similar to Mozart, it gives us a wonderful, easy-to-play piece that's the best of both worlds.

NOTE FROM THE EDITOR

All Belwin string parts have been carefully bowed and fingered appropriately by level. The Yellow Very Beginning series includes many bowings as well as reminder fingerings for first-time readers. The Red Beginning series includes frequent bowings to assist younger players. Fingerings for altered pitches are often marked. The Green Intermediate series includes appropriately placed bowings for middle-level students. Fingerings and positions are marked for notes beyond first position. The Blue Concert series includes bowings appropriate for the experienced high school player. Fingerings and position markings are indicated for difficult passages.
