

STRING ALTERNATIVES SERIES

Recorda Me

Joe Henderson

Arranged by Bud Caputo

INSTRUMENTATION

Conductor Score	1
Violin I	8
Violin II	8
Viola	5
Cello	5
String Bass	5
Piano Accompaniment	1
Acoustic Guitar	1
Drumset	1

Notes to the Conductor

This arrangement of "Recorda Me" (Remember Me) differs from the original 1963 recording by jazz tenor saxophonist, Joe Henderson, in style and primarily tempo. While the original is a rapid up-tempo Bossa Nova, this version incorporates a more relaxed samba style. This slower tempo showcases the beautiful, though angular, melody. It allows us to fully enjoy the unfolding chord progression that is somewhat modal in the first section, but evolves into a beautiful contrasting sequence of descending chords by whole-steps, each of which is introduced by its ii-V7-I pattern.

The balance of parts, especially equal representation by the viola, is critical. The guitar, piano, and drums provide authentic colors that should hold an equal footing with the string section. The string bass part could be performed by a lone amplified acoustic or electric bass and be thought of as belonging to the rhythm section rather than to the traditional string ensemble. However, if the entire section performs the bass part, only one solo bass should be used in the improvisation section, measure 51-66.

Also note that in this improvisation section the chord symbols are included for all instruments to encourage improvisation for all performers. To that end, the director may choose multiple soloists and repeat this section as many times as is needed to showcase those students who are willing to move away from the traditional printed page and experience the excitement of jazz improvisation. The suggested solo will provide confidence for the young improviser but all students should be encouraged to explore the element of jazz improvisation that is the essence of jazz. A scale-guide for improvisation is included to assist students in developing their improvisation skills.

The original recording may be found on Blue Note Records 84140, and this current link to YouTube:

Score for measures 31-34, featuring Vlns. I & II, Vla., Cello, Str. Bass, Piano Accomp., Ac. Gtr., and Drumset. The score includes a large red watermark reading "Preview Only" and "Legal Use Requires Purchase".

Vlns. I & II: Both parts play a melodic line with eighth and sixteenth notes, including triplets and accents. The key signature is one sharp (F#).

Vla.: Plays a melodic line with eighth and sixteenth notes, including triplets and accents.

Cello: Plays a melodic line with eighth and sixteenth notes, including triplets and accents.

Str. Bass: Plays a bass line with eighth and sixteenth notes, including triplets and accents.

Piano Accomp.: Features chords labeled B min and D min, with a melodic line in the right hand and a bass line in the left hand.

Ac. Gtr.: Features chords labeled B min and D min, with a melodic line in the right hand and a bass line in the left hand.

Drumset: Plays a rhythmic pattern with eighth and sixteenth notes, including triplets and accents.

Measures 31, 32, 33, and 34 are indicated at the bottom of the score.

Improvisation Scale Guide

This guide provides ideas for improvisation for bars 51-66. One technique that jazz musicians use is to superimpose scales over the chord changes of a musical selection. This gives the player a guide as to what notes will sound good over the chords in the accompaniment. The player can use the notes in this guide in any measure and create interesting rhythmic figures and patterns with them and may employ other notes that embellish the provided scale notes. The study of improvisation begins with careful listening to great jazz artists to develop a "feel" for the style. Remember, there are no bad notes, just better choices.
