

Holiday Inspirations

Arranged by Paul Johnston

Music is a huge part of what makes Christmas so special. This collection contains some of my favorite music of the season. With these familiar pieces, I strived to bring something fresh and new to each selection by using jazz reharmonizations and different styles. Each arrangement contains a written-out solo section, so you can sound like you're improvising even if you're not a jazz musician. I encourage you to experiment with your own improvisations as well. I hope you enjoy playing these arrangements and sharing the music with family and friends at home, in recitals, or in church. Merry Christmas!
