NOTES TO THE CONDUCTOR

(Back Home Again in) Indiana composed by James F. Hanley, is a classic standard tune and is the basis for the chord progression of the bebop favorite “Donna Lee” by Charlie Parker. The goal with my arrangement is to create a fun, up tempo, swinging chart to use as an opener or closer—a piece that would work well at either concerts or contests.

This arrangement puts the spotlight on the saxes with a swinging soli from measure 37–63. Consider having your sax section stand for this passage in performance because the sound of the section will project better, plus it will better showcase the section. There are also some roaring passages featuring the entire ensemble. Work for a well-supported, balanced ensemble sound which will make these sections all the more exciting. How is that done? The first step is to listen to the demo of this chart (available at alfred.com) so all the players can hear a professional band perform the chart. I believe it is essential to provide daily or frequent listening examples of big bands to aspiring big band players (and directors). The players need to hear big bands so they (and you) will know what the “model” sounds like. Think of it as the aural goal. Blend and balance with strong inner parts, clean releases, accurate articulation are but a few steps to a solid ensemble sound.

Throughout this chart as with all charts, the articulation markings are critical. For example, the rooftop accent (▲) is played detached but not staccato—think “daht.” The saxes (all sections) should plan to spend some quality time in sectionals to work on blend, balance, releases, intonation and so on.

The 1st tenor saxophone is featured with a solo and a written-out solo line is provided. I suggest the soloist play the written solo at first then work on expanding and embellishing the solo to work toward improvising. Encourage your soloist to study the chord changes and improvise the entire solo.

For the rhythm section, hopefully the piano, bass and drum parts are clear. The guitar part is primarily comping slashes. In this swing groove, quarter note comping is traditional. For the best sound ask the guitarist to use medium thickness picks which will give the sound a very bright, acoustic quality and hold the pick loosely between the thumb and index finger. Strum straight quarter notes trying to cut off (mute) the sound of the chord right after striking the strings. Strum from the elbow; giving a bright, swinging sound that propels the rhythm section forward.

There are a wide variety of dynamics throughout the chart—work to bring these out as it will add a lot to the musicality and success of your performance. Most importantly, have fun! *Indiana* is a happy tune and should have your band and the audience smiling. I hope that you enjoy this arrangement.

—Greg Yasinitsky

**Greg
Yasinitsky**

Greg Yasinitsky is the Director of the School of Music at Washington State University where he teaches jazz studies, saxophone and composition. He has an international reputation as a composer, arranger and saxophonist. His music is widely published and is performed in over thirty countries around the globe. As a saxophonist, Greg has performed with Sarah Vaughan, Ella Fitzgerald, Ray Charles, Louis Bellson, Stan Getz, Lionel Hampton, Manhattan Transfer, Mel Torme and many others.

The image shows a full orchestral score for the song "(Back Home Again in) Indiana". The score is arranged for a large ensemble, including five saxophones (two alto, two tenor, one baritone), four trumpets, four trombones, guitar, piano, bass, and drums. The music is in 4/4 time with a tempo of 200 beats per minute, marked as a swing. The key signature has one sharp (F#). The score is divided into ten measures, with measure numbers 1 through 10 indicated at the bottom. A large, diagonal red watermark reading "Preview Only - Legal Use Requires Purchase" is overlaid across the entire page. The watermark is semi-transparent, allowing the musical notation to be seen through it. The conductor's part is at the top left, and the drum part is at the bottom left. The guitar and piano parts are in the middle, and the bass part is at the bottom right. The saxophone and trumpet parts are in the upper middle, and the trombone parts are in the lower middle.
